Adoption Success at Drive in Event

June 8th marked the 70th anniversary of the Tiffin Drive-In and we were so excited to have been asked to be a part of their special day.

In addition to the usual drive-in excitement they had a DJ, raffles, fun games and puppies.

We were able to find homes for all of our beautiful shepherd/rottweiler mixes. It wasn't meant to be for the adorable Chicken Nugget that night but her outgoing personality stole the show, and with the help of our facebook followers she soon found her forever family.

We all had a great time and can't thank them enough for inviting us to be a part of this special day.

Our first adoption of the night

Chicken Nugget sneaking a little snack before the movie.

	2019 Hawgs for Dogs and Cars for Cats	
	Poker Run	
	Saturday, August 3rd	
	Registration at 10am Run starts at 11: 30	

Memorials

We would like to offer our condolences and thanks to the families who made memorial donations in memory of the following:

Robert Bauer, Richard (Dick) Borer, Joseph Buckley, John (Butch) Distel, Leah Evans, Dale Foltz, G. Arlene Hill, Robert (Bob) Homan, Nancy Lynch, Burt Park, and Elizabeth Reiter.

We are the Humane Society of Seneca County! We are a non-profit organization that has a dedicated full-time staff of five. Our facility is fairly new, we built this building in 2005 and work hard to keep it nice. We try our hardest to find the best homes for all of the homeless animals of Seneca County.

Volunteer Spotlight

My name is Jess Leopold and I am a registered nurse at Mercy Health Tiffin in labor and delivery for 21 years. Isabella is going to be a ninth grader at Columbian and wants to be a veterinarian after college. We have been volunteering now for about 6 months and we love socializing the cats and kittens. We are proud to be of help to staff who are clearly doing a wonderful job here at the

Humane Society. We have a 2 year old Maine Coon mix

named Khaleesi who was also a Humane Society rescue!

Shout Out-Kuranda Bed Donators

We would like to thank Tracy Thom, Candace Stocker and especially Shelley Ross who have all donated Kuranda beds to our shelter dogs. We are very lucky to have heated floors here at the shelter but nothing beats your own bed. Our dogs are so lucky to have supporters willing to provide these wonderful beds for them.

Shout Out-Tiffin Lowes

We want to send a huge thank you to Tiffin Lowe's for donating our new refrigerator. It is a vast improvement from the dorm size fridge we were working with. We are now able to house all the things our animals need safely. Thank you Lowes.

Meet the staff

Dustin is a kennel tech that joined us in fall of 2018. His favorite part of shelter work is seeing the animals he has cared for find their forever

homes. His willingness to help out in any area of the shelter makes him our go to guy. In his free time Dustin enjoys woodworking and riding motorcycles.

Jacci is a kennel tech that joined the staff in November of 2018. Her love of animals is her favorite part of working at the shelter.

Jacci's dedication to the animals and attention to detail has made her a valuable asset. In her free time Jacci enjoys reading, watching football, and camping with her husband and girls.

Wyatt joined the kennel tech staff in July of 2017. He is a quiet presence that enjoys his interactions with the animals.

Wyatt's experience makes him a versatile employee able to fill in wherever he is needed. In his free time he enjoys reading and playing video games.

Gabie joined the kennel techs in September of 2018. She has a positive, energetic attitude and

enjoys helping the animals find homes. She has been helping us get the shelter animals seen and often volunteers to help with our parades and adoption events. In her free time she enjoys eating, hiking and baking.

Donation Want List

The following are items we are always in need of at the shelter:

- Gas Cards
- Purina Cat/Kitten Chow
- Purina Dog/Puppy Chow
- Towels/Bedding
- Scoopable Cat Litter
- Dog & Cat Toys and Treats
- Dog Collars
- Dog Leashes
- Monetary Donations

Threads

From the Technician

Kittens, Kittens, Kittens! Kittens! They are everywhere. We have all found ourselves deep in the trenches of kitten season. Just the mention of it can make the most seasoned of shelter staff cringe with the knowledge of what is to come. The first litter comes in, adorable, and lulls you in to a false sense of security. Before you know it THAT litter shows up. The one that takes the last empty kennel and sends shelter staff scrambling to come up with an emergency plan. There is no quick fix for the problem that plagues shelters every spring. It is a community issue that will take a community coming together to create a solution. If you own cats please have them spayed or neutered. Remember we do offer a low cost clinic once a month. If possible help control the feral cat

population in you neighborhood. Get them spayed or neutered if you are able or trap them and bring them to the shelter. Other ways to help include donating kittens supplies if . Shelters are often overwhelmed with kittens and keeping up with their specific nutritional needs can

be very expensive. Don't forget how important your time can be to a very full, very busy shelter at this time. Just coming in and spending time socializing the kittens is always appreciated. A social, playful kitten is always more likely to get adopted than the shy semi-feral kitten hiding and hissing in the corner. Often, all these babies need is

a little bit of time and love. While kitten season is a busy time for shelters the support of the community can make it much less stressful and, with luck, in the end many families will have found that perfect new addition they have been searching for.
